Я в спешке просмотрел активные компании. Не вижу, чтобы нижеперечисленные фирмы где-то использовались:

Advisys Ltd.
Tradestock Inc.
Finex Global
Highview Limited
Maden Holding Inc.
Solent Management Ltd.
Aurland Production Inc.

Они все под нашим контролем. Нашел еще много интересных вещей. Буду в Алматы во вторник. Давай обсудим.

In a hurry I reviewed active companies. I don't see the below companies mentioned anywhere:

Advisys Ltd.
Tradestock Inc.
Finex Global
Highview Limited
Maden Holding Inc.
Solent Management Ltd.
Aurland Production Inc.

All these companies are under our control. I also found a lot of interesting facts. I'll be in Almaty on Tuesday. Let's talk it over.
